Prof.

Jayne Matiga, the Centre Coordinator, travelled to Brussels to attend the European Masters Conference Interpretation in March 17-20, and again to attend the European Masters in Translation Conference (EMT) between Nov. 17 and 19. These are reporting meetings for gauging progress of our programmes by our development partners. They also provide a networking experience for sharing best practices. They are beneficial to the Centre and should be encouraged and opportunity expanded to include course trainers as well.
