ACHIEVEMENTS SINCE BEING APPOINTED TO ACT AS DEPUTY VICECHANCELLOR (AA)

During the brief stint in the office of the Deputy Vice-Chancellor (Academic Affairs) in an acting capacity, I have successfully accomplished in the following areas in the Academic Division:

(i) Strategic Plan 2013-2018

I have in consultation with Section Heads initiated and completed the revision of the Strategic Plan for the Academic Division for the period 2013-2018.

(ii) Performance Contract

Led the Academic Division to sign the Performance Contract for 2013/2014. Section Heads and staff will sign individual contracts shortly.

(iii) Tree Planting

On 28th June 2013 facilitated 35 members of staff drawn from all Sections of the Academic Division to participate in a tree planting session that took place at the University of Nairobi Vet Farm in Upper Kabete. A total of 320 trees were planted.

(iv) University Exhibitions

The Academic Division coordinated the University of Nairobi's participation in the recently concluded exhibition by Kenyan Universities held at the KICC between June 20 and 22, 2013.

(v) Accreditation Committee

Led the Accreditation Team to the IGAD Sheikh Technical and Veterinary School (ISTVS) Governance Workshop was held at Royal Suites in Kampala Uganda between 21st and 22nd July 2013.

(vi) Prize Giving Ceremony

The prizes award ceremony was organized by the Academic Division and was presided over by the Chairman of the Council Dr. Idle Farah who lauded the 74 donors among them institutions and professional organizations for their continued effort to enhance the prizes to

reflect the changing economic realities.

The University of Nairobi awarded prizes for excellence in academics performance to over 330 students for 2009/2010 and 2010/2011 academic years.

(vii) Divisional Meeting

Held a meeting on 5th July, 2013 with Senior Staff in the Academic Division to plan for activities for 2013.

(viii) 49th Graduation Ceremony

Chaired the Graduation Committee which resulted in a very successful Graduation Ceremony. 5,342 graduands, were conferred with Degrees and awarded Diplomas during a graduation ceremony presided over by Dr. Joseph B. Wanjui, the Chancellor of the University.

(ix) Websites

I have set up a website team which has led to the Academic Division website to drastically improve as indicated below:

- Ranked Number One (1) - 2007/2008 in the whole University
- Ranked Number Two (2) - 2008/2009 in the whole University
- Ranked Number One (2) - 2009/2010 in the whole University

2) Land Expansion

- Six (6) acre donation from PCEA for expansion and research around Kikuyu campus
- Five (5) acre donation in Maragua to develop the Extra Mural Centre
- Fifty (50) acre donation to develop educational activities for the college
- Further donation of land to develop Extra Mural Centres in:
 - Lamu – twenty (25) acres at Mukunumbi on the beach
 - Isiolo – ten (10) acres near town
- Acquired the former UN buildings at Lokichogio and opened Extra Mural Centre. The centre has currently eighty (80) students
- Supervised the reclamation of the University land and oversaw the construction of the perimeter wall around it.

3) Opening of new Extra Mural Centres

(i) The college opened up the following additional Extra Mural Centres and sub-centres which are self-sustaining financially:

- Garissa, Kapenguria, Kisii, Meru, Kitui, Kibwezi, Eldoret, Bungoma, Busia, Kitale, Lokichogio, Thika, Tala, Bomet, Keroka, Rongo, Homabay, Uriiri, Oyugis and Kasarani.
Re-located the following centres to areas conducive for academic pursuit:
- Kisumu – from Kondole to former British Council
- Kakamega – from a noisy area (Midland House on Mumias Road) to Walia Centre next to Provincial Police Headquarters.
- Nakuru – from shopping area on Kenyatta Avenue, Arcade Building to a spacious and conducive building next to the Catholic Diocese, Nakuru Plaza along Moi Avenue.

(ii) Library facilities – created library facilities for all the six major Extra Mural Centres with computer laboratories. They are all online.

(iii) Results

- a. Student intake increased from six thousand (6,000) in 2004 to about twenty thousand (20,000).
- b. Revenue also grew from four hundred thousand Kenya Shillings (Ksh. 400,000) to currently over one billion two hundred million Kenya shillings (Ksh1.2b)

4) Expansion of Teaching Facilities

- i. Completed the College of Education and External Studies (CEES) Library with a sitting capacity of six hundred (600).
- ii. Purchased the former British Council Library (now Kisumu Campus) and significantly contributed to the purchase of the former Kenya-Re building (now UNI Plaza) in Mombasa as well as assisting in the construction of the 14 storey Kisumu Campus plaza to cater for increased student population,
- iii. Acquired extra facilities for module II teaching at:
 - a. College House
 - b. Central Catering Unit (CCU)
 - c. Anniversary Towers

- iv. Entered in an agreement with Boards of Governors from neighbouring High Schools, colleges/institutes to allow our students from the Department of Educational Studies using Distance, Open and e-learning modes to use their facilities during the school holidays. The schools include: Alliance Boys, Thogoto Teachers College, Kenya Water Institute, Railway Training School – to name a few.

5) New Programmes

Started the following programmes:

- i. PhD in Project Planning and Management
- ii. Masters in Project Planning and Management
- iii. Masters in Distance Education
- iv. Masters in Education Measurement and Evaluation
- v. Master of Arts in Education in Emergencies (in collaboration with Harvard University and British Columbia University in the USA)
- vi. Master of Arts in Peace Studies in Education (in collaboration with Coventry University in the United Kingdom)
- vii. Bachelors in Project Planning and Management
- viii. Diploma in Purchasing and Supplies

6) ICT Development

i. Computer Labs

Six (6) computer labs – the Administration Lab, Odel Lab, L.H. Computer Lab A, Lab B, Library Computer Lab, and Geography Computer Lab - have been put up in the College with over 120 working computers each. Each Extra Mural Centre has a computer laboratory with LCD facilities.

ii. Smart Boards

There are four (4) smart boards and five (5) Public Address sets for use in classes at Anniversary Towers, CCU and Kitchen 1

iii. Internet Connection

- The college got Internet connectivity from Chiromo using a fibre optic cable
- Vsat for ODeL Centre was installed with a capacity of 10Mbps and a standby generator of 30KV.
- Student access to free bandwidth increased through Phase 2 of Broadband KENET (Kenya Education Network) through KTCIP wireless set access points at various hotspots.
- Eight (8) Extra Mural centres were connected to UoN intranet through Safaricom APN routers to allow staff and students to access SMIS.

iv. Website update

Web champions were tasked with updating the college website with assistance from ICT and completed the assignment.

v. Fibre Connection

Fibre optic project is being finalized to all the seven main Extra Mural centres – Kisumu, Mombasa, Kakamega, Nakuru, Nyeri, Kisii and Meru.

vi. ODeL Project

The Odel Project was launched on July 2, 2010 for the development of e-learning courses.

vii. Computers/Laptops

- Purchased a computer and laptop for each pedagogy lecturer to promote pedagogy at the college and in Extra Mural Centres. They included the state-of-the-art video editing Macintosh computers and printing machines
- Established a revolving fund for academic staff to acquire laptop computers, which greatly enhanced pedagogy classes in the University.

7) Printing Plant – Department of Educational Studies (DES)

The College purchased:

- Heavy duty guillotine, high speed, electronic machine to cut papers up to size A1.
- CTP electronic typesetting unit – an online system for preparing artificial plates and copy proof for the machines. This reduced the workload in data and by-passed various expensive stages
- Duplo printers
- 2-colour high speed Heidelberg printing machines.
- All these cost the University more than seventy million Kenya Shillings (Ksh. 70m.)

The machines have enabled the College to:

- i. Print students modules for the external degree programme
- ii. Produce University annual graduation materials
- iii. Produce teaching practice materials to both the Kikuyu and Kenya Science Campuses

8) Students Enrolment and Completion Rates

- i. The new programmes increased student numbers from six thousand (6000) in 2004 to about nineteen thousand (19,000) in 2012.
- ii. Completion rate for Certificate, Diploma, B.Ed and M.Ed had hit 100% as per the Performance Contract.
- iii. PhD: Enrolment for PhD rose from zero (0) to fifty (50) between 2004 and 2010.
- iv. Between 2004 and 2012, the college graduated twenty four (24) PhD students. There was none before then.

9) The Environment

Improved on the infrastructure and planted flowers and about ten thousand (10,000) trees on the campus.

10) Improvements at Kenya Science Campus

Major repairs and refurbishments have been carried out on various physical facilities at Kenya Science Campus under my overall supervision. They include:

- i. Construction of Lecture Theatre
- ii. Construction of Physics, Chemistry and Biology Laboratories
- iii. Others include:
 - Re-erection of collapsed fence separating Jamhuri Primary from the campus
 - Rehabilitation of the entire perimeter fence
 - Renovation of the swimming pool
 - Reclamation of the games field
 - Fencing around the hostels
 - Creation of computer labs
 - Unblocking of the main sewer
 - Burglar proofing of windows
 - Overhaul of electrical installation in the tuition block
 - Improvement of entrance to the Campus
 - Furnishing of the main office
 - Blocking of extraneous “panya” routes all over the campus
 - Clearance of bushes along the KMD, Kibera and Railway line fences
 - Improvement of the campus roundabout
 - Fixing of slab walkways
 - Destruction of termite colonies
 - Erecting bumps and zebra crossing lines on the main highway from town to Ngong

11) CODL Centre

The centre was established to collaborate with existing colleges, schools, faculties, institutes and various centres of the University to offer their existing courses in distance learning mode. Learning materials for B.A and B.Com in both soft and hard copies have been developed with students already enrolled in both programmes.

12) Students' Facilities

(i) **Hostels:** Three (3) new hostels were completed to ensure enough accommodation for students.

(ii) **Playing Grounds:** All playing grounds were improved: levelling of the football pitch and the basketball court tarmacked and marked.

13) Students Discipline

- Improved student discipline and harmony with the local community from previous frequent standoffs.
- Increased student participation in community affairs by having them offer services at the Kikuyu Eye Clinic Hospital, visiting children orphanages, homes of the elderly and providing food and clothes.

14) Training on Pedagogy and Androgogy

Facilitated the training of one hundred and thirty eight (138) lecturers in 2007; five hundred and five (505) lecturers in 2008; one thousand (1000) lecturers 2009 in pedagogy and androgogy, with the numbers increasing each subsequent year.

15) Facelift of College Buildings

All buildings in the college and Extra Mural Centres have been branded by being painted internally and externally in UoN colours. The following facelifts have also been carried:

(i) Renovation of Kimberley Hall

(ii) Renovation of Doctor's House

(iii) Replacement and repair of the entire water system in the University Hall

(iv) Repair of Dining Hall roof and supply of the Dining Hall with appropriate and adequate chairs and tables

(v) Installation of 3-phase power cable for electricity supply in Pioneer Hall

(vi) Construction of a platform to hold seven (7) water tanks with the capacity of 10, 000 litres for emergency purposes
